LETTER OF CORRECTION

The following printing error was noted in comparing the printed patent with the papers in the attorneys' files:

In the Specification:

Column 1, line 21, "but not enough to damage to the circuit boards." should read
-- but not enough to damage the circuit boards.--

The above error is not considered to be of major significance. Applicants request that this document be included in the file wrapper of the subject patent to make formal notice of the error.
